

LUMINARA™

Instruction Manual

Luminara Set of 6 Rechargeable Votive Candles with Decorative Recharging Base and AC adaptor (included)

To Charge: (For Best Results)

- 1) Be sure the on/off switch on all the votive candles are in the off position.
- 2) Set the votive candles in the charging base.
- 3) Insert the AC adapter end into the socket under the charging base. Plug the AC adapter into a wall socket.
- 4) After full charge (8 Hours), unplug the adapter from the power source.
- 5) Do not charge more than 12 hours at one time, it may affect the life of the batteries for future use.

Caution:

- 1) Only use the provided AC adapter to power the charger.
- 2) Do not allow candles and charging unit to get wet. Keep unit open to air during charging, since they get warm during charging. Always keep them away from fire and high temperatures.
- 3) This is not a toy. Keep away from children

Instructions for Care and Disposal:

- Care should be used when cleaning. If unit becomes dusty or dirty, clean with a dry cloth. Do not use any chemicals or detergents as it may discolor the product.
- The rechargeable batteries inside are designed to charge about 500 times. When they can no longer accepted a charge, dispose of them in a manner recommended by your city waste department, or take them to a recycle center.

* This unit is for **Indoor** use only. *
