

## PS71-BT6 Instructions

- ① **Insert Battery** *(included)*  
Use Rayovac CR123A battery for  
10-year shelf life performance.

- ② **Connect Charger to iPhone**  
Charging will complete in  
30-40 minutes.

*You can stop charging at any time  
to save remaining battery charge.  
Charger may become warm  
during use. This is normal.*
