

PS68BK Instructions

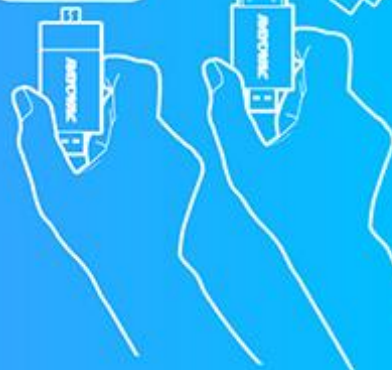

WORKS with  
**Apple, LG,  
Blackberry,  
HTC, Motorola,  
Nokia, Sony,  
Samsung,  
and more!**

**1 How to Recharge.**  
*Move switch to **IN/OFF** position.  
Plug charger into your computer  
or USB wall plug adapter.*

**2 Connect Charger to Device.**  
*Move switch to **OUT**  
position. Plug Apple  
or Micro-USB  
adapter into phone.*

**3 Using the IN/OFF - OUT Switch.**  
*Make sure the switch is facing the adapter you wish to use.*

• If you move the switch towards the USB adapter - that is the **IN/OFF** position.

• If you move the switch towards your device adapter - that is the **OUT** position.
