

To redeem a gift certificate, you must have an account with LightsandBatteries.com. If you already have an account, simply log in to apply your gift certificate to your account, or create an account by clicking on **“Register”** and following the on-screen prompts.

Once an account is created, and you are logged in, click **“Apply a gift certificate to your account”** under **“Payment Settings”**.

You will then enter the 13-digit gift certificate code and click ***“Apply”***. The gift certificate will then be applied to your account.

My Gift Certificate balance

You currently have a gift certificate balance of **\$5.00**. This balance will be automatically applied to any future purchases you make.

After a gift certificate is applied to your account, it is automatically applied to your purchases until your gift certificate balance runs out. The gift certificate balance that is being credited to your purchase will be listed on the checkout page.
